## Neighborhood Retailers Generate Record-Setting Holiday Sales

Business District Events Drive Business Owner Optimism for Season

PORTLAND, OR – December 9, 2014 – Neighborhood businesses set retail records city wide over the weekend, gaining sales momentum as the critical holiday retail season continues. With just 16 shopping days left until Christmas (and only 8 until the start of Hanukkah), neighborhood business districts are bracing for a surge of shoppers. As the support organization for Portland’s 50 neighborhood business districts, Venture Portland promoted the weekend’s holiday festivities to help ensure the season was merry and bright for local retailers. In Portland, where 98% of neighborhood businesses have five or fewer employees, supporting small is really big.

Following Black Friday and Small Business Saturday, neighborhood business districts provided a wide variety of shopping incentives for Portlanders, including a series of innovative events December 4-7. In total, Portland’s neighborhood business districts will host 25 festive holiday events throughout the season, many funded in part by Venture Portland, featuring deals and discounts to help shoppers stretch their holiday dollars and purchase the perfect gifts for everyone on their list. And, Portlanders can feel good knowing their money is staying home for the holidays – for every \$1 spent at a local business, 70% stays in the local economy.

This week features continued promotions to help Portlanders stretch their holiday dollars:
